

Regional Stormwater Education Program Partners Meeting

August 12, 2026

Minutes

I. Past Program Updates

Meeting opened at 3:02pm.

Lorna Peters, Nora Brown, and Gracie Grimes updated committee members on events since the last meeting, including:

- Stream cleanups on June 6th and August 1st
 - o Varying attendance, but both successful. First cleanup was behind Hannaford in Highgate Commons and the second was at the St. Albans City Stormwater Diversion Canal, continuing on to Rugg Brook
- Storytelling Event (6/28)
 - o Great speakers, music and food. Very calm night with a handful of attendees, and FNLC and LCBP tabled at the event.

II. Upcoming Programming

Lorna and Nora updated committee members on upcoming events, including:

- Stream cleanup (August 29th)
 - o Greenwood Cemetery through to Lemnah Drive site from last year (police dept land in between)

III. Americorps Application

Dean Pierce gave an update on NRPC's VHCB Americorps application. The program is waiting to hear on federal funding, but if NRPC were to get funding for this position, the Americorps member would take over RSEP coordinating from Lorna.

IV. Other Comments

No other comments were made.

V. Next Meeting Date

The next meeting date will be set via email but will be in November.

Meeting adjourned at 3:45pm.
