

Regional Stormwater Education Program

Steering Committee Notes

Wednesday, July 10, 2023

Scheduled 2:00 pm – 3:00 pm

Attending: Chip Sawyer, City of St. Albans; Dean Pierce, NRPC; Dea Devlin, NRPC; Kent Henderson, FNLC; Parker Eversoll, FNLC; Alison Spasyk, Friends of Northern Lake Champlain

1. Introductions

None.

2. Adjustments/changes to the agenda

None.

3. Review of March notes

Dea reviewed activities that were planned at the last meeting and had since happened.

- A hybrid webinar has hosted in St. Albans City Town Hall that went over best practices for managing stormwater on personal properties presented by Franklin County NRCD.
- In addition, Franklin County NRCD conducted free stormwater property walks to several homes in Saint Albans Town and City. They visited six homes in two weeks and were able to provide advice and resources.
- Hosted two stream clean ups, one in St. Albans City and one in St. Albans Town. The first one was on April 23rd and covered a portion of the Rug Brook Tributary with a turnout of 21 participants. The other clean up was in May at Stevens Brook and 12 people volunteered.

4. Annual Report

No action.

5. Update on Activities planned for 2023

- Storytelling event the upcoming week.
- Northwest Medical Center cigarette butt cleanups.

6. Updates/comments

- Dea leaving AmeriCorps next month. Creating a passing document to help with a smooth transition for the next AmeriCorps volunteer.
- Continued discussion of the details for the upcoming storytelling event.

7. Date for next meeting

Dean will reach out with a Doodle Poll to set meeting time.

8. Adjourn

Meeting finished around 2:20 pm.
